

**Self-Assessment: Analysis of Past/Current Workforce Strategies**

| <b>Strategies We've Tried</b>  | <b>What Worked and How Well</b> | <b>What Didn't Work and Why Not</b> |
|--|---------------------------------|-------------------------------------|
| Expand traditional delivery systems <ul style="list-style-type: none"><li>•</li><li>•</li></ul>                        |                                 |                                     |
| Develop collaborations and integrated systems <ul style="list-style-type: none"><li>•</li><li>•</li></ul>              |                                 |                                     |
| Increase workforce #s, diversity and skills <ul style="list-style-type: none"><li>•</li><li>•</li></ul>                |                                 |                                     |
| Assure workforce retention and sustainable systems of care <ul style="list-style-type: none"><li>•</li><li>•</li></ul> |                                 |                                     |
